A permit issued, based on the reviewed plans, may be considered as approval to proceed with the work shown on the plans, but does not alter or set aside any applicable code requirement or local amendment. Such issuance shall not prevent, or limit required corrections of any errors in plans, specifications or construction once determined. The AHJ reserves the right to make any necessary adjustments in an effort to meet the intent of fire code requirements. I hereby acknowledge that I have read this application and the above statements, all attachments, submitted plans or shop drawings, specifications, calculations, and fire alarm matrix are true and correct and I agree to comply with all applicable provision of all municipal ordinances, codes, and regulations pertaining to this permit, if same is granted.
