ORDINANCE 1998-36

AN ORDINANCE REGULATING THE USE AND STORAGE OF EXPLOSIVES WITHIN THE MUNICIPAL LIMITS OF THE CITY OF HENDERSONVILLE, TN

NOW THEREFORE BE IT ORDAINED BY THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF HENDERSONVILLE, TENNESSEE that Title 7 of the Code of the City of Hendersonville, Tennessee is amended by adding the following new Chapter 6.

7-601. Use of explosives generally. Any person using explosive materials within the City shall ensure that the loading and firing of such materials are performed by a certified individual who shall observe all reasonable safety precautions.

7-602. Pre-blast survey required. Prior to any blasting operation, the site will be inspected by the Hendersonville Fire Marshal or his designee, and a pre-blast survey will be required of the blasting contractor for all structures within 300 feet of the area where blasting is to be conducted.

7-603. Permit requirements. Prior to any blasting operation, a blasting permit must be obtained. As a condition of being granted such a permit, applicants shall provide proof of the required certification from the State of Tennessee and a fee of \$150 shall be paid, for pre-blast safety survey, prior to its issuance, (Ord. 1998-36, Ord. 2018-20, June 2018)

7-604. Storage. No explosive materials used pursuant to this chapter may be stored overnight within the corporate limits of the City.
