### MEET ... TREVOR

Trevor has been a valued member of our Maintenance team for nine years. He began his career with us as a Maintenance Worker II, was promoted to Crew Leader, then Assistant Supervisor, and for the past three years has served as our Maintenance Superintendent.

Trevor graduated from White House High School in 2014 and went to earn his Associate's Degree in Parks and Recreation Management from Volunteer State Community College.

We are incredibly grateful to have Trevor on our team and truly appreciate his dedication, leadership, and hard work over the years.
