CodeRED™

WHAT IS CodeRED?

The CodeRED system is an Early Warning and Notification System used to send many types of notifications (General, Weather Warning, Emergency) to our businesses and residents. This is our way of notifying you in an emergency situation.

IS THERE A COST AND HOW DO I GET CodeRED?

**CodeRED is free and available to any person within the city limits of Hendersonville, TN.**

It will only take a few minutes to enjoy a service that just may save your life. Please share with all of your friends and family about this invaluable service.
