HPC and Staff Level Project Deferral Procedures

From: City of Hendersonville Planning Department

As of January 24, 2024:

HPC Projects

If a project is deferred for three (3) months and not placed on the 4th month agenda, the project will be considered expired. The project would have to be resubmitted with new plans and fees. The plans would need to meet any design guidelines in place at the time of the submittal.

Staff Level Projects

If no response has been received on staff comments sent out on a project for more than 3 months, the project will be considered expired. The project will need to be resubmitted with new plans and fees. The plans would need to meet any design guidelines in place at the time of the submittal.
