The Honorable Elaine Chao
U.S. Secretary of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary Chao:

Please accept this letter of commitment for the SLIC Grade Separation & Safety Improvements Project application to the BUILD Program, submitted by the City of Hendersonville, in partnership with CSX Transportation and the Tennessee Department of Transportation (TDOT). Hendersonville's share of this project as detailed in our application will be \$2,000,000.

The Project is the outcome of a thoughtful design effort and collaborative partnership to improve safety, mobility, and access in Hendersonville; which is a burgeoning community within the Nashville metropolitan area. The Project combines multiple investments that were selected for their collective ability to deliver safer and less congested access between US-31 (East Main Street traversing the heart of the City) and the Vietnam Veterans Boulevard (SR-386), a freeway that serves as a major transportation lifeline for the surrounding neighborhoods.

Sincerely,

p.p.
